AREA 20/21
Conflict of Interest Policy

Any employee or member of their immediate family (partners, spouse, children, or siblings), officer, or agent of Area 20/21 requesting assistance with WIOA services, training and/or supportive services, will be required to meet all eligibility requirements set forth by WIOA regulations and local policies. No preferential treatment or exceptions will be made.

No individual in a decision-making capacity shall engage in any activity, including participation in the selection or awarding of WIOA funds or access information on any of the above named individuals receiving services. Violations to this policy may result in disciplinary action.
