## In-Demand Jobs Policy

Area 20/21 will adhere to the in-demand jobs definition listed below for training purposes.

The Area 20/21 Workforce Development Board has deemed occupations in the following industries as “in-demand.”

- Broadband/Fiberoptics
- Construction and the Skilled Trades
- Healthcare
- IT
- Logistics
- Manufacturing

Training can also be funded if the occupation is listed on the State of Ohio’s Critical Jobs List found here: [Ohio’s Top Jobs List | Ohio’s Top Jobs\\*](#), or if the participant has documentation of guaranteed employment after training completion.

The Area 20/21 Business Services Committee will meet yearly to evaluate regional needs and update the in-demand jobs definition.

\*When looking at the critical jobs website, make sure to change the list parameters in the top left corner.
